Key Questions to Ask Yourself

- **What are the key areas the test covers?** Understanding the exam structure is half the battle. Does it focus on reading comprehension, writing essays, grammar, or a mix?
- **What kind of questions will be on the test?** Multiple choice, short answer, essay? Knowing the format helps your child practice the necessary skills.
- **Where can I find some practice tests?** Practice makes perfect! Practice tests are dress rehearsals before the big show!
- **How can I make studying fun and engaging?** Find creative ways to make learning enjoyable – like turning study sessions into games or using interactive resources.
- **How can I help my child manage test anxiety?** Test anxiety is REAL. Deep breathing exercises or positive self-talk can help.
