

Succeed in Family and Consumer Sciences

Hey everyone! Thinking about family and consumer sciences? Whether you're a student, teacher, or career explorer, you're in the right place! I'll guide you through this exciting field.

What Exactly **Is** Family and Consumer Sciences?

Family and Consumer Sciences (FCS) is much broader than just cooking and cleaning, although those are *parts* of it. It's about how families and individuals manage resources—*time, money, food, and emotions!* It's about making homes run smoothly and improving lives.

It's a toolbox of everyday skills. Want to learn effective budgeting, healthy eating, or family dynamics? FCS covers it all!

Thinking About a Degree or Career in FCS?

The field offers many career paths! You could be a teacher, financial advisor, nutritionist, textile designer—the possibilities are endless!

To choose a path, ask yourself:

- **What are my strengths and passions?**
- **What work environment do I prefer?**
- **What impact do I want to make?**
